## The Pulse of the Dress Goods Trade

Has begun to throb anew, in response to the day-dreams of fall's costumes. Many cases of new dress goods came in during the past week; more than we can tell you about here. Come and look, then you'll know better than we can tell you. More lookers these hot days than buyers, for it takes time to design and decide for winter's fashions. All are equally welcome, and get our best attention, for lookers will talk, you know. Our dress goods department is slightly seasonal for it wants to be talked about. The early buyers are more in evidence this August than last, and price inducements are here for them to pick early, for as the season advances we find our facilities strenuously stretched.

Among the new arrivals last week were: Ten pieces of 40-inch Covert Cloths in smooth finished, thread-and-thread-about mixtures in the new blues, browns and greens; at..... **75c**

## 75 Clothes Pins for 5 Cents

Just for tomorrow only, this price on clothes pins will prevail, for we don't think this hundred gross will last longer. These are wooden clothes pins. Just the kind you see every day. Good strong ones, too. Made of hard maple. Only for tomorrow, remember, 75 for 5c. If you don't happen to have a nickel in change, we'll sell you a penny's worth.

## Monday We'll Muster Out The last company of Spring Hats...

AND THIS IS THE LAST TRUMPET CALL FOR YOU. The last leaf on the tree. Wanters of another Straw Hat to help them along till frost, will please come tomorrow, for these are going to bid us goodbye forever. These were stylish Hats last spring, and they're good style now, long as the sun shines hot. But fall's creations are clamoring to be shown. There's just one hundred and ninety-two hats in this lot. We'd just as soon give them away as not, but for fear that a "free-for-all" advertisement would create a crowd that would impede business, we've tacked on a little price attachment as a kind of sorter to separate the real wanters from the rest. This lot of Hats comprise all the Fancy French Shapes, all the Walking Hats, and about fifty of the Sailors now left in our wholesale department. All were made for this spring's wear. There are many of the fancy shapes like kinds of which sold earlier for as much as \$2 each. The Walking Hats are of Linen Crash and Straw. The Sailors are regular \$1 and \$1.50 qualities (some of these sailors have over 40c worth of ribbons in the band). Some short back Sailors in the lot. This lot is offered as "untrimmed" Hats, but the Walking Hats and many of the Sailors are ready to wear. Any Hat

## Tuesday... We Hold 'Em up With Hose Supporters..

Sale Begins at 9 a. m.

MOST PEOPLE would like to know how we buy goods so cheap. Here's the story about these. There's a man in New York, (guess we'll not tell his name) who makes Hose Supporters. Don't do anything else. Knows all about how to make 'em right. Sixteen traveling men on the road carry his goods to all parts of Uncle Sam's domain. At the end of the season when they go into headquarters to get a new start for the next campaign, they discard all of their last season's samples. (This lot was made for last spring's trade.) Having been a large consumer of this gentleman's goods for years, we were favored this season by having his entire line of samples turned over to us. This man makes nice supporters, and there's not a pair in the whole lot but that is of all Silk Elastic Web. All kinds in this lot. Some hook to the corset. Some fasten with Satin waist bands. Some have shoulder straps. Webs are ruffled edge, plain, quilted, and embroidered. Queen Louise fasteners hitch them to the stockings. Every pair have regulating buckles of oxidized and nickled filigree metals. Many of the buckles have settings of Amethyst, Emerald, Pearl, or Turquoise. There are one hundred kinds in this lot and sixteen of each kind. All the nice kind known to Hose supporterdom. The retail values range from 50c to \$1 per pair. Any pair

## Fall Silks

Two pieces of Military Diamond Checks with small broadened flower center in each figure. Sedate and handsome..... **90c**

Twelve pieces Black Brocades, satin grounds, flowered and military weaves, at..... **65c**

## Washable Parasols Last Chance.

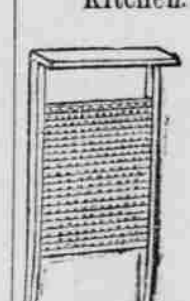

The old "washable" here means that the coverings of these Parasols are of wash goods. Hardly suitable to send to a laundry, but they are beautiful. Prettier than many silk ones. White grounds with wide checks in all of summer's attractive colorings. Stylish as can be and the price is so little that you can afford one for these last four weeks of hot weather. The sticks are of natural woods with paragon steel frames. The covers are French Castille and Madras. The early price was \$1.00. This week you may choose one for..... **59c**

## A True Likeness

It is through the eye we speak to the heart and if you would bring yourself near some old show, your picture, if it be truly good, will do this. We have been educating eye, hand and hand to do this work well and we are not, and neither will you be, discouraged at the result. We are making a feature of making our pictures as nearly like the individual as possible. If you give your photo as we will show it. If not our photos will not misrepresent you to your friends.

See our Genuine Platino or Steel Finish, \$2.50 a dozen. Best Enamelled or Glossy Finish, \$1.50 a dozen.
